Inspired by the mantra of learning through play, “DreamPlay by DreamWorks” is a revolutionary approach to family entertainment. Each experience is designed exclusively for City of Dreams Manila by the artistic and creative forces of DreamWorks Animation and iP2 Entertainment to combine the best elements of the DreamWorks library with the hands-on activities of an education inspired play-center to create a truly one-of-a-kind family adventure.

“DreamPlay” represents an exciting blend of integrated live and digital play spaces, featuring DreamWorks’ popular characters and creative storytelling combined with innovative educational play, appealing to children and adults alike.

Guests will immerse themselves in the world of DreamWorks Animation, interacting directly with their favorite characters through revolutionary experiences.
