**CHEF NOBU MATSUHISA AWARDED WITH
GQ's 2017 LIFETIME ACHIEVEMENT AWARD**

September 8, 2017 – Celebrity chef Nobu Matsuhisa has been awarded the prestigious Lifetime Achievement Award at the 2017 British GQ Food & Drink Awards in Shoreditch, London. This inspiring accolade comes 23 years since the opening of the first Nobu restaurant in New York and establishment of 32 restaurants and 12 hotels around the world including Nobu Manila at the luxury integrated resort City of Dreams.

Nobu restaurant is known for its focus on exceptional quality, great service, charismatic design, and a heartfelt and passionate desire to deliver memorable experiences for its guests. The restaurant's original goal was to create a place to enjoy great food with friends, and not what the group has evolved into today; a game changer in the hospitality and restaurant industry.

Chef Nobu, Robert DeNiro and Meir Teper have remained the closest of friends and partners since Nobu was crafted. The partners have travelled the world over which has deeply influenced their lives and fueled their careers as artists, restaurateurs, and entrepreneurs. Developing the Nobu hospitality platform has been the vision to craft the unique chemistry and perfect balance of luxury, fun, craft and theater.

Innovative cooking does not exist in a vacuum. It is influenced and inspired by its surroundings. Like any good chef, Nobuyuki Matsuhisa has been inspired by every city he has lived in. Whether it's in Japan, Peru, Argentina or even the far reaches of Alaska, he has discovered and combined ingredients and techniques that have evolved into the award-winning cuisine known as "Nobu-style."

In Manila, Nobu restaurant offers guests the acclaimed chef's signature dishes such as Black Cod Miso, Yellowtail Jalapeno, Rock Shrimp Tempura, New Style Salmon, Nobu Tacos, Toro Tartar, and Squid Pasta among others. Through these one-of-a-kind dishes, guests are able to delight in the distinctive "Nobu-style" cuisine which infuses Japanese and Peruvian ingredients and techniques.
