MELCO WINS TWO PRESTIGIOUS HR ASIA AWARDS IN 2019

Gold in HR Asia Recruitment Awards for Best in Mass Recruitment and
HR Asia Best Companies to Work for in Asia

June 4, 2019 – Melco Resorts & Entertainment Limited, the owner, developer and operator of casino gaming and entertainment facilities in Asia, is the recipient recently of two prestigious Human Resources awards: Gold Award for Best Mass Recruitment at Human Resources Asia Recruitment Awards 2019, and HR Asia Best Companies to Work for in Asia 2019 in the hospitality sector for Hong Kong and Macau as organized by HR Asia Magazine.

Gold in HR Recruitment Awards 2019

Anchored by the philosophy to “hire for attitude, potential, and image, and train on skills”, Melco’s integrated resorts have been successful in hiring thousands of colleagues and onboarding them to ensure that premium service is delivered to its customers. In a recent global survey conducted by Willis Towers Watson, 80 percent of Melco’s employees reported that they are proud of where they work.

The company’s reputation as a place where people want to work and where colleagues are at the center of the company’s corporate strategy has enabled it to attract and select the best applicants in huge numbers.

Established in 2015 by Human Resources magazine, the Asia Recruitment Awards is the only regional recruitment award. The Best Mass Recruitment category recognizes successful strategies and performance across companies. Candidates for the award are evaluated for their recruitment process, including extensive search, initial screening, recruitment interviews and employee turnover rates, and also had to demonstrate how their employee recruitment strategies enable an effective employee engagement track record for the company.

HR Asia Best Companies to Work for in Asia 2019

Organized by HR Asia Magazine, this year’s HR Asia Best Companies to Work for In Asia awards received nominations from over 200 companies among 20 industries, with close to 10,000 employee survey participants. The accolade recognizes Melco’s performance in Hong Kong and Macau’s hospitality sector in creating workplace excellence and career opportunities, positive work environment and culture, governance and ethics, and its commitment to people.
