Reference is made to your email which we received today, November 14, 2011 at 10:29 A.M. regarding what you claim to be an unusual movement in the trading of Manchester International Holdings Unlimited Corporation's Class "A" (MIH) shares, from P1.32 to P1.98 per share.

Please be advised that to the best knowledge of the undersigned and the Corporation's officers, we are not aware of any material information which may have caused such unusual movement in today's trading that would affect the value and trading of the Corporation's securities.

Very truly yours,
